Lower condo level: 20 lb. Upper condo level: 15 lb.

New customers pay for the sample. Keep the sample invoice to apply the sample fee as a credit toward a later order. Sample freight is quoted separately.

Assembly, care and replacement parts

Assemble the tree on a level indoor floor. Secure the base and each tier according to the assembly instructions before letting cats climb inside.

Use a soft brush to lift loose hair from the plush tiers and around the cream doorway trim.

For a replacement part or missing hardware, send the model, order reference, affected quantity and a photo of the part and its attachment point.
