Height is measured to the top of the upright. The flexible toy wand extends above it. Final carton dimensions are confirmed with your freight quote.

New customers pay for the sample. Keep the sample invoice to apply the sample fee as a credit toward a later order. Sample freight is quoted separately.

Assembly, care and replacement parts

Place the circular base on a level indoor floor. Follow the supplied guide when fitting the three uprights, round bed and toy wand.

Use a soft brush to lift loose fur from the bed and vacuum the rope gently. Ask for the fabric care instructions for your order.

For a replacement part or missing hardware, send the model, order reference, affected quantity and a photo of the part and its attachment point.
