MX15 / Small Cat Tree

Compact Double-Condo Cat Tree

Two arched condos, a padded top perch and a side hammock offer separate spots to rest. A woven scratching ramp leads to the middle platform, and sisal-wrapped scratching sections, a hanging pom-pom and a spring toy offer places to play.

Assembly, care and replacement parts

Assemble the tree on a level surface using the included screws and wrench. Tighten the hardware before use and check it periodically.

Remove loose fur with a soft brush or vacuum attachment. Spot-clean the plush with a lightly damp cloth and allow it to dry before use.

For a replacement part or missing hardware, send the model, order reference, affected quantity and a photo of the part and its attachment point.
